

## JEANS NEEDLE

- **System 130/705 H-J**  
The medium ball point penetrates thick and solid fabrics easier without damaging the material.  
The reinforced blade causes less deflection of the needle and reduces the risk of needle breakage and skip stitches.  
For denim (jeans) and similar fabrics.

- **Needle sizes NM 70 to NM 110, also assorted**
- **Colour coding: blue**

Also available as  
**TWIN NEEDLE.**
