“sarve jana sukhino bhavanthu”

JANUARY 18 19 2025

SATURDAY & SUNDAY

**Venue : TRIPURAVAASINI HALL,
Gate No. 2, Palace Grounds, Ballari Road, Bengaluru**

A warm welcome to you

A Warm Invite

Dear Vipra Friends,

50 years ago, some of the enlightened Brahmin thinkers and community leaders felt that there was a dire need for an organization that would bring the members of all subjects Brahmin Community together under one roof. By God's grace, under the leadership of Founder President Master Hirannaiah, Akhila Karnataka Brahmana Maha Sabha came into existence on 11-07-1974. Even to date, the organization has been consistently fighting against all those elements in society who cast aspersions on the community. It has also been opening up newer avenues for the community to come together for its overall well-being.

“Tradition, Unity & Self Sufficiency” – This is Maha Sabha's Vision and Mission statement. Under this doctrine, the Maha Sabha has been working towards the preservation of our heritage, religious identity, and culture. Currently, there are over 70,000 members in Maha Sabha and many local Brahmin organizations are associated with it in one way or the other. The Brahmin community has a rich history of several thousand years and has excelled in many fields like Spirituality, religion, Social, Administration, Education, Science, Industry, Agriculture, Art, and Literature, to name a few. The Sabha has been involved in nurturing the community's achievements in all of these and it is a matter of pride to one and all that it is now celebrating its **50th year** of an extremely meaningful journey.

In these 50 years, the Sabha has successfully held ten conclaves and is getting ready now for its eleventh. Each of these conclaves has been memorable. In the last three years, the Sabha has emphasized – Unity, Unity and Unity! Hence, the theme of this conclave will be “How to further strengthen the Unity and Organizational Abilities of the Community”

The 11th Sammelana will be held in Palace Grounds (Tripurvaasini Hall) on January 18 and 19. It will start with the Gana Homa, Gayathri Japayajna, and Gayathri Mahayaga. It will be followed by Yati Samaagama, Inaugural function and other stage programs. The leaders of the Vipra community from across the country are expected to participate.

Trade Fair, Business conferences, Food and Beverage sections, live demonstration of Jaggery making (aalemane), Marriage Matrimonial services and Data exchange forums for prospective brides and grooms, a mammoth Shobha Yatra, Variety of Cultural Programs, Depiction of our rich art forms, etc will be on display. This conclave will have something to everyone and will attract the participation of society's “who is who”...

Please consider this as my personal and affectionate invitation and participate in large numbers. This is your own house celebration. Come in large numbers and show the world the power of collective organizational strength of the community.

With humble salutations

Ashok Haranahalli

President, Akhila Karnataka Brahmana Mahasabha
